

MANDATE FOR THE BOARD OF DIRECTORS

GENERAL

The board of directors (the “**Board**”) of Alithya Group Inc. (the “**Company**”) is elected by the shareholders and is responsible for the stewardship of the business and affairs of the Company. The Board seeks to execute such responsibility by reviewing, discussing and approving the Company’s strategic planning and organizational structure and supervising management to oversee that the strategic planning and organizational structure enhance and preserve the business of the Company and its underlying value.

Although directors may be elected by the shareholders to bring special expertise or a point of view to Board deliberations, they are not chosen to represent a particular constituency. The best interests of the Company must be paramount at all times.

COMPOSITION

The Board shall be constituted at all times of a majority of directors who are independent directors within the meaning of applicable Canadian and United States securities laws and the NASDAQ corporate governance standards (the “**Company’s Director Independence Standards**”).

RESPONSIBILITIES

The Board executes its responsibility for overseeing the management of the Company’s business by delegating to the Company’s senior officers the responsibility for the day-to-day management of the Company. The Board executes its responsibilities both directly and through its committees, the Audit and Risk Management Committee, the Corporate Governance and Nominating Committee, and the Human Capital and Compensation Committee. In addition to these regular committees, the Board may appoint ad hoc committees periodically to address certain issues of a more short-term nature. The Board’s primary roles are overseeing corporate performance and providing quality, depth and continuity of management to meet the Company’s strategic objectives. Other principal duties include, but are not limited to the following categories:

On an annual basis, the Board shall also, on the recommendations of the Corporate Governance and Nominating Committee, review the directors' independent status and expertise as well as confirm that all members of the Audit and Risk Management Committee are "financially literate" and that at least one member is an "audit committee financial expert" (as such terms are defined from time to time under the requirements or guidelines for audit committee service under applicable Canadian and United States securities laws and the rules of the Toronto Stock Exchange and NASDAQ), review the Board's skills matrix, assess the overall performance of the Board, review major changes in the directors' principal occupation and review other board memberships.
